

EVANGELOS SIGALAS

+30 6982323890 | vangelissigalas@gmail.com

Introduction

- Evangelos is a graduate of the university of Accounting & Finance. He has passion and has been involved in programming since a very young age. Keeps up to date with trends in technology and innovation. Based on his many years of work experience mainly as a barista and assistant accountant he has developed skills in customer service, supplier relationship management and task organization. He is constantly eager to prove that he can adapt to demanding and fast-growing work environments with commitment to reliability and consistency.
